

Good Day Deer Creek Families,

We wanted to let you all know that recently the School Board unanimously approved the recommendation to hire Ms. Anna Young as the new Deer Creek Principal for the 2017-2018 school year!

Ms. Young currently serves as an Assistant Principal at Riverside High School in MPS and her duties are highly aligned to 9th graders, their transition from Middle School to High School, and involve a great deal of leadership around educational initiatives, most specifically, increasing academic outcomes for all students through best practice programming and proactively managing student behavior. Ms. Young has extensive experience as a Reading Specialist, Literacy Interventionist, and Reading and Language Arts teaching, predominantly at the middle level, in Mequon-Thiensville, New Berlin, and different schools within MPS. Ms. Young also has experience as a lecturer at UW-Milwaukee in the areas of Language Arts, Reading, and Social Studies. Anna has reviewed the academic programming in place and performance data at Deer Creek Intermediate School and is excited to partner with staff to continue the momentum forward so that all students are achieving high levels of growth.

Ms. Young is anxious to start the work, so we will have opportunities for her to be in the classroom, meet with students and collaborate with staff in the coming weeks to build momentum for next year. We are very much looking forward to having Ms. Young integrate with the staff, students, parents, and Administrative Team in St. Francis.
