Spring 2013

To Parent/Guardian(s):

Student and child safety is a priority for the St. Francis School District. At home, in the community, to and from school, and while at school, we as a school community share the collective responsibility to ensure our loved-ones are safe.

If you see or hear something that is of concern to you, please do not hesitate to contact your Building Principal, a District staff member, Mr. Jonathan Mitchell (Business Manager/Safety Coordinator) or me. We would rather error on the side of caution and safety than be sorry for not investigating a concern.

Communication with the St. Francis Police Department as soon as you see something unsettling, suspicious or potentially dangerous is recommended, as well at (414) 481-2232.

We ask parent/guardian(s) to please talk to your children regarding child safety. Please see the District's website - *Personal Safety for Children – A Guide for Parents at:* <http://www.stfrancisschools.org/Safety.cfm>. This is an easy to use resource that provides an excellent foundation to proactively communicate and plan for child safety.

Thank you for your ongoing partnership and your attention to this vital matter.

Sincerely,

Dr. John W. Thomsen  
Superintendent
