

Authorizing and Filling Positions (C-3)

Once per year in March and upon change thereafter the superintendent shall present the board with a list of new, expanded, reduced or eliminated staff positions for authorization (including extra-curricular positions).

The superintendent shall recommend to the board for approval persons to fill vacant positions and shall bring requests for resignations and recommendations for nonrenewals and dismissals to the board for action. The superintendent shall fill or terminate all intermittent employment positions. The superintendent may issue letters of intent for employment and provide temporary employment for 30 days or less for persons selected for recommendation to the board for employment.
