

St. Francis Recreation Department

2012 ACT Preparation Class

ACT Preparation courses typically increase student performance on the ACT test.

This ACT Preparation Class is intended to help prepare high school Juniors and Seniors for the ACT college entrance exam. The five areas of math, reading comprehension, writing, English and science will be covered, as well as strategies for taking the test. Students will be provided with opportunities to practice these skills in various exercises. This class is being offered as a cost effective way to help students prepare for the test, increase confidence, and potentially raise their score.
