

IMPORTANT COMMUNICATION INFORMATION

In an effort to improve home to school communication, Deer Creek will be moving toward a weekly Virtual Take Home Folder on our school's website <http://www.stfrancisschools.org/schools/deercreek/> starting next week on 9/13/2017. This will replace the paper flyers that come home announcing school events and classroom activities. Each Wednesday updated communications will be posted in the Virtual Take Home Folder in the Information Corner of our school website.
