Staff Qualifications

The St. Francis School District is committed to hiring the best-qualified individuals.

In accordance with federal law (No Child Left Behind Act of 2001), parents have a right to request information about the professional qualifications of their child's teacher(s).

This information includes:

- Whether a teacher is fully licensed for the subject matter and grade level taught.
- Whether a teacher is in the classroom under a provisional or emergency license;
and
- The teacher's undergraduate major and any graduate degrees or certifications the teacher may have, including the field of concentration.

Parents also have a right to know if their child is receiving services from a paraprofessional and, if so, what the qualifications of that individual are. To request this information, please contact the St. Francis School District Office at (414)747-3900.
