FOR IMMEDIATE RELEASE

St. Francis School District Awarded AdvancED School System Accreditation

Superintendent Dr. John W. Thomsen announced at a School Board meeting on July 13, 2015 that the St. Francis School District was granted AdvancED School System Accreditation from the AdvancED Accreditation Commission, the national commission that confers the North Central Association Commission on Accreditation and School Improvement (NCA CASI) accreditation seal. This means that the system and all of its schools are accredited, and that the St. Francis School District is recognized across the nation as a quality school system.

The accreditation process involves three ongoing components: 1) meeting high quality standards; 2) implementing a continuous process of improvement; and 3) engaging in quality assurance through internal and external review. The system's accreditation is for a five-year term with regular monitoring of progress and reporting occurring during the term.

“School System Accreditation as conferred by the AdvancED Accreditation Commission provides the St. Francis School District a nationally-recognized mark of quality for our system and all the schools within our system,” shared Dr. Thomsen. “It demonstrates to our community our commitment to excellence, our openness to external review and feedback, and our desire to be the best we can be on behalf of the students we serve.”

Dr. Mark Elgart, President/CEO of AdvancED, stated, “AdvancED School System Accreditation is a rigorous process that focuses the entire school system on the primary goal of creating lifelong learners. The St. Francis School District is to be commended for engaging in this process and demonstrating a commitment to continuous improvement.”
