Dear Community Members:

Over the years, the St. Francis School District has been challenged with tightening budgets, increasing costs and aging facilities. We are happy to have found a solution that works for this District and appreciate the support from the community in the recent referendum vote by the citizens of St. Francis.

We appreciate the time and energy community members spent in taking surveys, attending meetings, and learning about the possible solutions for our District in preparing for the referendum.

The St. Francis School District continues with their commitment to provide the best school system and make the most of the resources tax-paying citizens provide us. We will continue in our efforts to be fiscally responsible.

Once again, thank you for your support.

Sincerely,

Carol R. Topinka  
Superintendent
