

## ST FRANCIS MUSIC BOOSTERS MEETING MINUTES

July 14, 2009 6:30pm      Fixx Coffee House

Attendees:

Kathy Doty, John Doty, Beth Lewis, Paul Oestreich, Heather Page, Terry Junker, Pat Deck

Meeting called to order at 6:35pm

Old Business:

Craft Fair (Sat Nov 7<sup>th</sup>)

Kathy checked into yard signs. Plastic signs were the most economical at \$5-\$6 each. The committee agreed Kathy should order 50 (the minimum). Signs would state: Craft/Vendor Fair, date, location, address.

We discussed what should be included in an ad/flyer:

Craft fair hours ( 10-4 ) , activities such as face painting (2 people are willing to do this) , free guitar lessons (Kathy), possible cooking demo , scrapbook page-making table, makeup/facial demo, kids craft table, door prizes.

The tables would be on DC gym floor, demos on the stage. A microphone and podium would be gotten from WG.

Letters to vendors were discussed. 3 letters should go out.

Letters thanking previous vendors

Letters asking for vendors, including fees (\$20 reduced fee for returning vendors) and asking for \$25 donation item for auction. (Kathy by 7/24)

Letters asking for donated items to be used for future Music Booster functions.

New Business:

Terry brought up having a Music Booster “float” or sign with info regarding next MB meeting on it (for St Francis Days Labor Day weekend parade).

Heather would like to see the SF music department travel to local venues to perform, having a marching band in parades, and exposing small children to instruments to get them interested early.

Beth to work on citrus sale.

The DC band room was discussed. It is currently too small. A letter will be drafted, and possibly handed out at registration, inviting parents of WG/DC children asking them to attend the school board meeting to discuss this. We could also ask for donations of used instruments.

Fundraising ideas for 2010:

Car wash and hot dog sale at Wal-Mart (in summer) (Heather)  
Bingo night

Spending:

Need for instruments: 2 used flutes (DC), used marimba (HS), used tuba, new trombone, Bass bars for WG (later).

We approved to spend \$500 for the 2 flutes for DC and \$500-\$700 for the new trombone for the HS.

Kathy would like a "music" rug for her classroom (\$750) but will wait on this.

Date for next meeting TBA.

Meeting was adjourned at 8:20pm.

Respectfully submitted,

Pat Deck, Secretary
