

## BOOSTER CLUB MEETING

APRIL 13,2010

**Start-End Time:** 7:00pm - 7:50pm

**Board Members Present:** ALL

**New Business:** **MONEY!!!! BINGO!!!!** If you have been following this past year, we have had some setbacks due to previous Bingo events. As we found out earlier this year trying to obtain our license. It turns out we have not had a valid/legal Bingo license in over 14 years. That set off the alarm and an investigation took place.

**\*We (The Booster Club) have just this past week received a couple of letters from the Gaming Commissioner, and the Department of Revenue. We owe the Wisconsin Gaming \$1876.37, and for back taxes and penalties we owe The Wisc. Dept. of Revenue \$1200.00.**

As parents who again have been following Booster Club, we have had a difficult few years trying to stay afloat. We have been trying many different ways to involve our parents and students alike. We have been just skating by in finances. Because of this recent light of events, we now are looking at our check book for Booster Club wondering what we should do.

We have been in contact with a few people in both the WI Gaming, and Revenue alike. No one seems to budge on helping. So we asked a hard question to our parents who attended last night.

"Do we pay out to them and deal with what we have left for the kids? (Which is not a lot, plus remember we need start up money for the shack.) Or do we pay out for the kids first and whatever is left deal with our debt's with the state later?

Little is known at this time, things are still sketchy, and no fines or other penalties are being told to us. We are going to talk to the principal as well as the school board for further help. In the mean time we needed to make a decision.

**\*Our kids did nothing wrong, therefore it was passed with 3 motions to go ahead with the kids first.**

**\*Attached will be a financial report for all to see with our checking book, plus all the payments to be made for the kids and debt's to the state.**

If you have any further questions please contact either: Sherry Urbaniak, or Dave Braham.

**New Business: NIGHT AT CULVERS: Friday April 26, 2010, 4pm-7pm.** Drive through, stop in ! A great Family night!!! 10% of sales will go to our Booster Club, this is a great way to feed your family and help your kids school. We look forward to seeing you all there!!

**\*Sherry Urbaniak has been our Booster Club President for the past 3 years. We love having her, she has provided a real positive atmosphere throughout. But in our Booster Club laws, one can only remain in position for 3 years. As much as she would like to continue, she will have to open the door to others. If you are interested, please attend our May meeting. If no one offers it will be up to Sherry to consider running another term.**

**New Logo:** Soon we will open the door for a student contest. Every other year, we allow the kids to draw a new logo for our spirit wear. The winner's drawing will be shown on all spirit wear for the next two year. Watch for further updates!

**OLD PROM DRESSES:** Next year we will be having a Prom Resale shop, right before prom. Bring in your old dresses make up your price and a proceed will go to you, the rest to the booster club. Watch again for upcoming information.

**VOLENTEERS FOR SENIOR PICNIC.** Date to be announced, if interested please contact Sherry.

**Minutes submitted by Kimberly Schwantz, Booster Club Secretary**
