

BOOSTER CLUB MEETING JANUARY 26, 2009

Start/End Time: 7:10-8:45pm

Present Board Members: Sherry, Dewey, and Kimberly

Parents Present: Tammy, Mike, Ronza

New Business:

***SFHS By Laws/Booster Club Policies:** Both to be revised, minor changes approved.

***Donation Request Forms:** Please note new applications/contracts have been made. Organizations may fill out the request application and along with that may be asked to help staff/work certain activities. (Football Shack, Bingos, ST. Francis Days, etc...)

***Reminder to all groups, when staffing the Football Shack, your organization can earn up to \$250.00, plus 25% of the 50/50. This is another way for your group to earn more money!!**

***Donation Applications** will be available in the office. New for "FALL" the Booster Club will take donation applications with a deadline of Oct. 13, 2009. Organizations requesting help will have to be present on the Oct. 26, 2009 meeting to address the Board. We will only take applications once in the year. This way we can look at all the requests at once, and distribute as funds are available.

However, donation requests that come up after the deadline, will be looked at on an individual basis based on fund availability.

***Bingo: Help is needed for two dates!** March 4, 2009 & April 1st, 2009!
Volunteers needed, please contact Sherry if you are able to help!! Thank you!!

***St. Francis Days:** We are looking for "Motivated" person to take over and chair this event! Booster Club will not be handling it this year. This is an event that raises around \$1000.00 for our kids. It would be a shame to loose this, so please if someone is interested in chairing this, please contact Sherry.

Consider the "Dunk Tank" this year. It was used 2 years ago, and the tank was donated to us for the event. Every ball thrown was profit to us. This is a better game vs. our gambling/dice game! Again if interested, Please contact Sherry!

***Shack News:** Carol has resigned from her position as the main coordinator. Thank you for all your help and commitment, we wish you well! We have someone who is willing to step up and help out. Welcome Sue Fisher and Mike Urbaniak. They will be the new coordinators for the shack. Thank you !!!

***Grill:** We have been approached by Dave Braum, who is willing to grill out every JV/Varsity game, provided we supply a grill. We are checking in to prices at Home Depot, hopefully that will be a new improvement for our Varsity games.

***Scholarships:** New applications are being considered as well as judging procedures. Also The Booster Club will be trying to raise money to further our Scholarship funds! This will be addressed further at our February 23rd meeting. The completed letter being sent out to companies for donations will also be displayed.

Minutes Submitted By: Kimberly Schwantz, SFHS Booster Club Secretary

NEXT BOOSTER CLUB MEETING: MONDAY, FEBRUARY 23, 2009!!
