

Booster Club Meeting

November 3, 2010

Start-End: 7:00pm-7:30pm

Board members present: Sherry, Dave and Kimberly

Treasure Report: Dewey not present: Account balance around \$2000.00-3000.00.

We are doing well!

Culvers Night was the end of September and we did great! We had a profit of around \$150.00, so thank you to all the families who help make this a success!

Buffalo Wild Wings: That was held on Oct. 25, was also a success. We are still waiting on the profit, but we also did well. Thank you again to all who joined us.

Metals for fall sports: The metals were purchased for around \$650.00. There are over 100 kids participating in fall sports such as Football, Tennis, swim, cross county, etc... Most kids have had their sport banquet and at that time have received their metals. If you have not, please see Coach Klopp, in Athletic Department.

Thursday November 4th, REMINDER: To all students who wish to go out for a winter sport, the meeting for that will be tonight at 7:00pm, in the small theater.

Homecoming was a huge success! This year instead of grilling out for the BBQ, we ordered subs from Subway on Oklahoma and KK. They gave us a great deal and they are very supportive of our school, so give them your business in thanks.

*The tennis team won for the best float! They won \$25.00 to be put in their sport account! Congratulations girls!!

Screen Doors will be purchased soon for the shack. They will be hung up by spring! This was approved by parents in September.

Bingo: We are still waiting on a final receipt showing our cleared dept, we will continue to keep you posted on this situation.

Volleyball Tournament: This will be held sometime in January. We are just waiting on dates, so all kids can participate. Last year the girls basketball team was in playoffs and could not join in on the fun. So we would like to set a date that all kids have the chance to take part in this fun event. Stay tuned for the upcoming dates!

Shack: Thank you to Sue, who did a wonderful job! This is a big job, but very rewarding. Sue stepped down from running the shack. Patty Piotrowski will take her place and is also looking for help. So if you are interested, please contact Patty, or a member of the Booster Club. Again thank you Sue, and welcome Patty!

Valentine's Day Flowers: We will be doing another flower sale. We were lucky to have two volunteers: Jackie and Lynn will help run this event! Thanks ladies!!

Going Green in March: Collecting aluminum cans/metals for recycling, each class brings metal in and the class with the most collected wins. (Prize to be decided)

We are looking for 2 people to help that day. Contact a board member with more details, The date will be decided soon, and will then be posted.

IMPORTANT NEWS ON UPCOMING ELECTIONS:

***Elections for Booster club will open in December. The positions that need to be filled will be President, Vice President, and Secretary.**

This is a wonderful opportunity to get involved with your child's school and help make a difference. We all have done our part, but many of us have exceeded our time and our kids are moving on. Without the help of parents filling these positions, SFHS Booster Club will fold. This would be unfortunate because the kids would lose so much. Please, if you are interested at all or just want to enquire about this please contact Sherry Urbaniak. (phone number located on the front page of Booster Club)
