

Why Choose St. Francis School District?

Our school district is located in the city of St. Francis, Wisconsin, a suburb just south of Milwaukee. The approximately 1,200 students of our school district live either in our city or in the city of Milwaukee.

The St. Francis School District strives to provide an outstanding educational system for all of its students. We take this responsibility very seriously and work tirelessly to engage our stakeholders in the educational process and continue to hone our processes toward educational excellence for all.

The mission of the St. Francis School District is to prepare students to be literate and responsible world citizens. The St. Francis School District has seven specific targets for student learning outcomes:

1. Proficiency in academic Knowledge and skills;
2. Proficiency in complex thinking;
3. Proficiency in applications of information technology;
4. Global perspective;
5. Social competence;
6. Ethical disposition;
7. Self-confidence
