

St. Francis School District - return to sports guidelines

Daily pre-practice / game screening for all participants including coaches/managers

Athlete & Coach/Manager Screening – includes temperature checks performed by the Athletic Trainer (answers will be recorded). Any person that the Athletic Trainer reports as symptomatic shall not be allowed to participate and will be referred to their primary care provider or other health care provider for further care (a written release from the healthcare provider will be required upon return to athletics).

Gathering limits and guidelines

Use most current local health department and WIAA guidelines.

Maintain social distancing (six foot rule) whenever possible.

No handshakes, high fives, chest bumps etc.

Wash hands or use hand sanitizing stations during breaks and whenever possible.

Individual water bottles – no shared bottles or stations.

After gathering guidelines

Spray and/or wipe down all equipment used after each practice/workout/game.

Participants are encouraged to shower and wash workout clothing immediately upon returning home.

Locker Room, Equipment Room, Weight Room, Meeting Room and Athletic Training Room guidelines

Use most current local health department and WIAA guidelines for gathering limits and social distancing.

All surfaces should be sprayed and/or wiped down before and after any individual or group use.

All participants should wash hands or use hand sanitizer before they transfer from place to place.

Each room should have hand sanitizer stations.

(Depending on current guidelines) Facemasks will be worn by all students/staff in these locations, due to proximity to others.

Physical Activity dress and equipment guidelines.

Participants including coaches and managers should not share any clothing or personal equipment.

All clothing should be workout appropriate and taken home to be washed and cleaned daily.

All school issued equipment should be sprayed and/or cleaned after each practice/workout/event.

All participants will be responsible for bringing their own water bottle to each practice/workout/event.

Transportation

Use most current local health department and WIAA guidelines for social distancing.

Multiple buses or vans will likely be needed.

School owned vehicles will need to be sprayed and/or cleaned after each use.
