St. Francis School Board President Releases Statement

ST. FRANCIS, WI — Bob Boknevit, President of the St. Francis School Board, has released the following statement regarding the resignation of Superintendent Blake Peuse:

“Mr. Blake Peuse has informed the school board that he will be leaving his position as Superintendent of Schools, effective as of October 8, 2019. He has resigned for personal reasons and leaves on good terms. Blake also expressed that he was incredibly grateful for the support of our staff, board, families and community members, and that he will continue to support the district throughout the upcoming transitions.

On behalf of the board, I would like to thank Mr. Peuse for his exceptional leadership of our district over the past four years. His time in the district was one in which we accomplished some great things on behalf of our students.

The board will immediately get to work on appointing an interim superintendent to lead the district for the rest of the 2019-20 school year. We will also begin our search for the next permanent superintendent. As we do so, we will search for professionals who possess a strong vision for leading the St. Francis School District into the future.”
